

Asset Management Support in Lithuania

Let's meet your business needs

Lithuania has the right talent and infrastructure to help you maximize the efficiency of your business support functions. By optimising your middle/back office processes, you will have more time to focus on generating superior returns for your investors.

“
From the outset I was impressed by how hungry and eager to develop professionally Lithuanians are. They're also very loyal and easy to manage. Relocating the full scope of my fund activities – front to back office - from Norway to Lithuania was the best business decision I've ever made.”

Stig Myrseth,
President and CEO at Dovre Forvaltning
